DISPOSAL OF APPLIANCES

Revised October 5, 2002

The following items are NOT Allowed to be put into our Compactors

- | | |
|------------------|---------------------|
| 1. Washers | 6. Television Sets |
| 2. Dryers | 7. Microwave Ovens |
| 3. Refrigerators | 8. Water Heaters |
| 4. Freezers | 9. Air Conditioners |
| 5. Stoves/Ovens | |

NOTE: Any items containing Freon (Refrigerators and Freezers) require a qualified contractor to evacuate this gas from the item before it can be disposed of.

METHODS OF DISPOSING OF APPLIANCES

- 1. Property Owner may call an outside contractor to pick-up an item**, at their lot, and have it properly removed. Contact the Office for names and phone numbers of local contractors. The contractor will quote a price for removal.
- 2. Put the item/s in the Designated Fenced-in Area, located near the Association Garage.**
 - DO NOT put these items at the compactors or on Association Common Areas.
 - The Association will have the item disposed of, by a qualified contractor, and pay for their removal.

VIOLATION OF THE RULE

Violation of this rule, by dumping these items on Association Property, other than the designated location, is subject to a \$ 200.00 Fine.
